

Ministry Safe Available

Protecting our children and vulnerable adults is very important in the North Alabama Provisional Annual Conference. On June 1st, the Global Methodist Church approved entering a contract with MinistrySafe.

To learn more about MinistrySafe and to get registered, here is the link to the North Alabama Provisional Annual Conference MinistrySafe program's landing page:

Congregational participation in MinistrySafe is mandatory by the Annual Conference for all clergy, employees, and volunteers.

Your congregation may contract with MinistrySafe to complete background checks. Attached you will find the fee schedule for background checks. It is important that your local church provide protection for vulnerable populations and the church's assets.
